

Physician Directory 2009

ACTIVE & ASSOCIATE STAFF PHYSICIANS

The information in this Physician Directory reflects all physicians on staff at Frye Regional Medical Center as of September 1, 2009. The information is accurate and correct to the best of our ability and is based on the information provided by these physicians to our Medical Staff Services. Physicians are listed in one of four categories: Active, Courtesy, Affiliate and Consulting. The definition of each category is listed below.

Active Staff Physicians

Active Staff Physicians consists of physicians, dentists and podiatrists who meet the requirements for Medical Staff membership and regularly admit patients to and/or provide clinical services at the hospital.

Affiliate Staff Physicians

Affiliate Staff Physicians consists of practitioners who do not intend to admit, attend, or become involved in the treatment of hospitalized patients but plan to directly refer patients to eligible members of the Frye Medical Staff for admission and/or evaluation.

Courtesy Staff Physicians

Courtesy Staff Physicians consist of physicians, dentists and podiatrists who are qualified for staff membership but who only occasionally admit patients to the hospital. Courtesy Staff Physicians are limited to 12 admissions per year.

Consulting Staff Physicians

Consulting Staff Physicians consists of practitioners of recognized ability connected with educational institutions or outside the local medical community whose expertise is not available within the community or otherwise available at the hospital and who are qualified for staff membership.
